(SRI ANNA RAO GANAMUKHI)

on the recommendation of the Departmental Officers concerned.

(*e*) Not yet. Conversion is done according to a phased programme and every High School will be ultimately converted into Higher Secondary School.

Sri V. SRINIVAS SHETTY.—Supplementary to (*e*). The Board High School, Puttur, is one of the oldest and best equipped high schools in the District of South Kanara. Leaving that aside why have Government selected the St. Victor's Girls High School, Puttur, for conversion as a Higher Secondary School ?

†Sri ANNA RAO GANAMUKHI.—For upgrading more accommodation and more expenditure will be necessary. It is only those schools which do not have these facilities that are selected first by Government.

Sri V. SRINIVAS SHETTY.—Do Government consider that the St. Victor's Girls High School, Puttur, is a better High School than the Board High School, Puttur, and that it has better facilities ?

Sri ANNA RAO GANAMUKHI.—Where there are no facilities the Government will help to provide facilities for upgrading.

Sri V. SRINIVAS SHETTY.—The Board High School, Puttur, is run by the District Board, South Kanara, and as such it has better facilities and is better equipped. In spite of that, why was Government pleased to pick up a private school for upgrading ?

Sri ANNA RAO GANAMUKHI.—That was the reason why it was not selected. The other private High School does not have proper equipment and facilities and therefore Government came forward to supply it with some grants for upgrading.

Sri V. SRINIVAS SHETTY.—Is it that Government is only picking out High Schools which are ill-equipped for upgrading as Higher Secondary Schools ?

Sri ANNA RAO GANAMUKHI.—Exactly so.

Sri G. VENKATAI GOWDA.—What is the principle adopted in converting District Board High Schools into Higher Secondary Schools ?

Sri ANNA RAO GANAMUKHI.—If the District Board High School does not have proper equipment and facilities and if it wants to convert itself into a Higher Secondary School. Government will consider the question on merits and give grants.

ಶ್ರೀ ಎಚ್. ಜಿ. ನರಸಿಂಹೇಗೌಡ.—ಈ ವರ್ಷ ಯಾವ ಹೈಯರ್ ಸೆಕೆಂಡರಿ ಸ್ಕೂಲನ್ನೂ ಸರ್ಕಾರ ಮಂಜೂರು ಮಾಡಿಲ್ಲ. ಇದಕ್ಕೆ ಕಾರಣರು ಯಾರು ?

ಶ್ರೀ ಅಣ್ಣಾರಾವ್ ಗಣಮುಖ.—ನಾನೇ ಮಾಡಿಲ್ಲ.

Sri J. B. MALLARADHYA.—Will Government see that the managements of schools are not kept in a state of uncertainty and that a phased programe for upgrading High Schools into Higher Secondary Schools is drawn up so that they may know when their turn will come up ?

Sri ANNA RAO GANAMUKHI.—The whole question is being examined and it will be discussed in the Education Integration Committee meeting.

Sri G. B. SHANKAR RAO.—Supplementary to (*c*): May I know whether all the Taluk Headquarters High Schools will be chosen for conversion or only a few of them ?

Sri ANNA RAO GANAMUKHI.—There is no such rigid rule.
